BONIDE TOMATO AND BLOSSOM SET SPRAY, RTU, EPA Reg. No. 58199-4-4
EPA Est. No. 4-NY-1

BONIDE TOMATO AND BLOSSOM SET SPRAY is a ready-to-use plant hormone product that provides Biological Grow Power to promote blossom set and fruit development. Used as recommended, Tomato and Blossom Set Spray will promote flowering, increase blossom set, and increase fruit yield. Tomatoes, Beans, Cucumbers, Eggplants, Melons, Okra, Peppers, Strawberries and Grapes will often bear fruit earlier when treated with Bonide Tomato and Blossom Set Spray.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Shake well before using. Tomato and Blossom Set Spray solution is ready to use as is. To promote blossom set and fruit development spray the flowers and adjacent foliage with Tomato and Blossom Set Spray until the leaves are completely wet. Repeat as blossoms appear or at weekly to two week intervals.

PRECAUTIONARY STATEMENTS
