## 4-7-4

Mycorrhizal Fungi and Biological Fertilizer for Planting Landscapes

**ROOTS® PHC® Plant Saver® 4-7-4** is used in planting or maintaining a broad range of plants, including: trees, shrubs, annuals and perennials. It contains a blend of ecto and endomycorrhizal fungal spores, beneficial rhizosphere bacteria, 4-7-4 fertilizer, organic amendments, and a comprehensive selection of micronutrients designed to restore soil fertility and address the mineral requirements common to many plants. Also included is Myconate® (formononetin), a patented stimulant of VAM fungi. \*Covered by US Patents 5,002,603; 5,085,682; 5,691,275; 5,981,775.

#### DIRECTIONS FOR USE:

**Trees, Shrubs, Perennials, Vines & Landscape Plantings:** Thoroughly mix product into backfill at a rate of about 8 ounces of ROOTS® PHC® Plant Saver® 4-7-4 per caliper inch or for each foot diameter of root ball.

1. Mix ROOTS® PHC® Plant Saver® 4-7-4 evenly into the backfill soil next to the root ball.
2. Pack the treated backfill firmly around the root ball.
3. Mulch and water to soil saturation.

**Established Trees and Shrubs:** Apply as a vertimulch using an earth auger with a width of about 2.5 inches. Mix 4 ounces of product with soil in each hole drilled to a depth of about 8 to 10 inches. Drill numerous holes in a grid pattern with 2.5 foot spacing to cover the entire area beneath the canopy. Avoid damaging large roots. This 10-pound bag treats 250 square feet by vertical mulching.

**Small Plants and Bulbs:** Add 1 tablespoon (1/2 ounce) per plant, and mix thoroughly with soil in planting hole.

**HEALTH AND SAFETY:** In case of skin allergic reaction(s), treat symptoms and contact physician. Avoid breathing dust. Wash hands after handling. Caution to individuals with nut allergies. This product contains peanut skins.

#### KEEP OUT OF REACH OF CHILDREN

**STORAGE:** Store in a dry location between 50° and 90°F.

#### WARRANTY

**NOTE** To the extent consistent with applicable law, buyer assumes all responsibility for safety and performance if this product is not used according to the directions.

**Net Wt. 10-Lbs. (4.54 kg)**

Expiration Date:

APPLICATION RATES	
SIZE	Roots® PHC® Plant Saver
1 to 2 gallon plant	4 ounces (1/2 cup)
3 to 5 gallon plant	8 ounces (1 cup)
Per caliper inch	8 ounces (1 cup)

Not labeled for use on food crop sites.
