**Attention** Harmful if swallowed.  
Keep out of reach of children  
and pets. For Material Safety  
Data Sheets, please contact  
Green Field Farms<sup>®</sup> at  
1-855-497-2749.

**Caution** Causes skin and eye  
irritation. Do not ingest. Wear  
appropriate eye wear and  
protective gloves when handling.

**Allergy warning** This product  
may contain trace amounts of  
shellfish. As with all fertilizers,  
always wear gloves to apply  
product and avoid eye contact.

**Disclaimer and limit of liability**  
Buyer assumes all risk of use,  
storage, or handling of this  
product. The exclusive remedy of  
the user or buyer, and the limit of  
liability of Green Field Farms<sup>®</sup> or  
its affiliates for any losses,  
damages or injuries resulting from  
the use or handling of this  
product shall be the refund of the  
purchase price.

**Warning** HyR BRIX<sup>®</sup> uses boron,  
an essential and necessary micro-  
nutrient, to enhance plant health

and production. HyR BRIX<sup>®</sup>  
guarantees the percent of boron in  
this product will not in any way  
harm any type of established  
plants. However, we are required  
by state law to declare the  
following: This fertilizer is  
specifically blended for sweet corn  
and if used under conditions other  
than those recommended may  
result in serious injury to the crop.  
Information regarding the contents  
and levels of metals in this product  
is available on the internet at  
[www.aapfco.org/metals.html](http://www.aapfco.org/metals.html) or by  
calling 1-855-497-2749.

Store in a cool, dry location.  
Brush granules from concrete  
surfaces to prevent staining.

SLOW  
RELEASE

NET 45 lbs. | COVERS 4,000 sq. ft.  
MUST USE AS DIRECTED.

JUST ONE  
APPLICATION  
feeds all season long!

HyR BRIX<sup>®</sup> Sweet Corn Fertilizer has what sweet  
corn requires to develop big, uniform, marketable  
ears with a great, sweet taste. With multiple forms  
of nitrogen and a balance of micronutrients, you  
can ensure your corn is receiving an adequate  
and even feeding all season long. Helps improve  
soil biology!

**Apply once. Reap results all season long.** When  
it comes to value, nothing beats HyR BRIX<sup>®</sup>.  
Because our nutrient-rich fertilizers come in a dry  
granular, slow-release form, ONE APPLICATION is  
all you need.  
Simply spread evenly and lightly mix into the soil,  
and HyR BRIX<sup>®</sup> will go to work, amending the soil,  
improving water retention and drainage, and  
delivering targeted nutrition to your plants.

With HyR BRIX<sup>®</sup>, you save time and money, grow  
tastier and healthier produce and plants, and reap  
the rewards that come with increased yield, less  
disease and insect damage, and an extended  
harvest period.

**Whether you're a grower or a home gardener,  
HyR BRIX<sup>®</sup> is the fertilizer of choice.** We created  
our proprietary dry granular fertilizer for our own  
family farms, and quickly found a following of  
professional growers who were thrilled with our  
one-time application, soil-enriching capabilities,  
increased yields, and exceptional results. But we  
know home gardeners are equally passionate  
about their backyard plots, so we package our  
same professional formulas in smaller packages  
especially for you.

How to Apply Best if applied prior to planting, for  
season long fertilization. Evenly broadcast 5 lbs.  
per 100 foot row, or 1 cup per 10 feet of row, in a  
1 foot wide band and work into soil. This will aid  
with an even emergence and ensure plants are  
receiving nutrients right when they need them.

Application Chart - MUST USE FULL RATE

Area Size	Fertilizer Amount
100 ft. row	5 lbs.
400 ft. row	20 lbs.
900 ft. row	45 lbs.
1 acre	500 lbs. (11 bags)

Bulk product available in 2,000 lb. totes

Caution: Do not place in planting hole, on seed, on roots,  
directly against the stem of the plant, or directly on foliage.  
Always work into soil. Do not use for indoor seed starter.
