HOMS
Bite
BLOCKER®

Bite Blocker's proven effective Insect Repellent now in a highly effective waterproof formulation tough enough for extreme environments and safe for the entire family. This Xtreme botanical formula provides protection from bites for up to 8 hours against mosquitoes. **Directions for Use:** Shake well before using. For best results, apply to skin every 3.5 hours or more often as needed. For added protection apply to clothing. Use Restrictions: Avoid contact with eyes and lips. **Storage:** Do not contaminate water, food or feed by storage and disposal. Store in a cool, dark environment. **Container Disposal:** If empty, do not reuse this container. Place in trash or offer for recycling if available. A proprietary blend from a patented botanical base. This product has not been registered by the U.S. EPA. **HOMS** represents that this product qualifies for exemption from regulation under FIFRA, 40 CFR, Secretary. 152.25 (g)(1),(2) and (3), minimum risk pesticides. **PRECAUTIONARY STATEMENTS:** Do not get in eyes. In case of eye contact, wash eyes with plenty of water. Irritation, Rash or Allergic. Reaction may occur to skin of sensitive individuals. Keep out of reach of young children to prevent ingestion. If irritation persists get medical attention. See our website for efficacy studies proving Bite Blocker is as effective as low concentration of commercial DEET formulations and is non-flammable and won't harm plastic and nylon products.

ACTIVE INGREDIENTS: Soybean Oil (3%), Geranium Oil (6%), & Castor Oil (8%). **Inert Ingredients (83% total):** Purified Water, Coconut Oil, Glycerin, Lecithin, Wintergreen Oil, Citric Acid, Sodium Bicarbonate & Benzoic Acid.
