

WORK

new and improved

PRODUCT FACT SHEET

DESCRIPTION

Our most popular multi-purpose glove—now updated for superior durability and style.

- Ideal for gardening, general yard maintenance, household chores, and cycling.
- Available in a palette of vibrant colors.
- Sized for Women & Men.

BENEFITS

- Lightweight and breathable for extended use.
- Signature snug fit provides maximum comfort and dexterity without adding bulk.
- Women's and Men's sizes for a better fit.
- Machine washable and colorfast.
- Synthetic suede palm won't ever dry hard or crack, even after repeated washing.
- Recycled content—
The West County Gardener Work Glove is an environmentally responsible choice.

CONSTRUCTION

- 4-way stretch spandex mesh back made with 96% recycled materials.
- Neoprene padded back for flexible knuckle protection.
- Synthetic leather double-padded palm for shock absorption—design now reconfigured for greater flexibility and upper palm protection.
- Double reinforced thumb web and finger tips for added durability.
- Heavy stretchable spandex finger gussets to ensure close fit.
- Recycled terry cloth brow wipe at thumbs.
- Brushed elastic cuff with new easy-grip rubber tabbed adjustable hook & loop closure to keep out dirt and debris.
